One time I went skinny-dipping with some friends, recalls this chill, sweet and down to earth tomboy from Oklahoma. They thought it would be funny to take off with my clothes. So I had to run through the neighborhood completely naked to get home. I was hiding behind every tree, car and bush I could find. I don't think anyone saw me though. Aubrey will be blowing out 21 birthday candles next August and shuns growing a bush. She's clean-shaven because it hides her favorite piercing.

aubrey

THIS PUSSY NEEDS WARMING UP

Being pierced makes her feel like a sexy badass in addition to wake boarding Swedish cooking. So does her line of work: waitressing at a bikini-type restaurant. When in love, she specializes in making her partner feel like the only man in the world giving him her best fuck. Aubrey, who's dialed into things guys like most, offers a tantalizing scenario. Why fuck only one guy when there are two willing to fuck her at the same time. She says she has not done it before, but when you watch her free on-line video, you can decide for yourself.

Angel met Venus a year ago at the mall. She was getting exercise by walking around and window shopping. They had stopped at the same window checking out some leather boots and started talking about them. Minutes later they were in the food court eating a corn dog. Hours later they were at Angel's apartment eating each other out. Since then, the two neophytes like to have sex in places where they might be seen by someone. Admittedly, they've become kinkier than before.

Venus & angel

WANT A LITTLE MUFF-MUNCHING?

Venus admits that she also likes being tied up, blindfolded and having her pussy licked, but backdoor antics may remain off the menu. She recalls that one time two girls were going at her with dildos and she wound up with a double dildo penetration. That's why she doesn't want to try anal again. It hurt, but it was still fun. She'd rather give head to one girl as another one licks her. They both want to have party sex so lots of people can watch them play with each other. But for now, that pleasure is all yours!

A photograph of a woman's lower body, showing her legs and waist. She is wearing blue lace underwear. Her hands are resting on her thighs. The background is a soft, out-of-focus light blue.

If you told me years ago that I'd be writing to a magazine, of any kind. I'd tell you I wasn't interested. Then if you told me that I'd be writing about myself, I'd say, that's not like me. And, if you said that I'd be writing about sex, I'd say never. Never in a million years. Well, times have changed and so have I. I believe I have found myself and enough self-confidence to do what I said I would never do.

So it goes like this... While I'm kinda tall for my age, I've been blessed with really nice, long legs. I like wearing short skirts that will allow me to teasingly extend my legs. I also love to wear stockings, and all sorts of hot lingerie. Even more than stockings, I love the look and feel of the tight elastic of garter belts. My name is Shayla and this little trait of mine led me to posing for the camera when I was just nineteen; and it slowly became my libido's drive. Oddly enough this little pastime turned into my profession.

The feeling of the garters against my thighs, stretching the tops of my stockings up to them to fasten them securely on my legs – with their tricky hard little snaps and rings just make me melt. All of the subtle creases and shade gradations seem so much like

the folds and colorations of pussy. To touch there softness and feel the folds is one step from climax.

By covering up my feet and thighs with stockings or with thigh-highs, make my exposed flesh feel quite bare by comparison! Just a short way up, my pussy is exposed and framed by the garter belt. My personal approach to photographic erotica has much to offer the stockings lover than most.

WHAT TO DO WITH ALL THIS LEG?

I understand the erotic feeling of sliding stockings over my legs and teasing my lover into submission with them. I try to capture the tactile qualities of the stockings I wear in my photos. I like to think about a guy thrusting his big cock into my moist, sweet pussy as I rub my silky stockings over him! I like how the wrinkles show the garments delicate stitches because they remind me of genitals.

I've had thousands of photos taken through the years but I just had to share this image of my sexy, long legs in a new pair of stockings for my nylon obsessed friends! I had bought these stockings to pose in for a fetish website, but of course I wasn't been able to resist wearing them after the shoot. I really like the back seams of stockings and love wrinkling up my

feet and feeling how the nylon rubs against my soles. This pair feels so amazing. I probably will wear them all day and night. I hate to take them off.

When my agent calls and tells me I'm booked for a shoot, I never ask who is the client or who will be the photographer. The thrill of the unknown is so exciting. On my way to the photo studio, I took off my panties and smoothed out my stockings. I brought my antique lingerie as they asked, and of course, my red shoes. I thought about what the next eight hours would hold. Perhaps I'll seduce the photographer and let him fuck me while I wear the client's product.

Perhaps I'll fuck the client and let the photographer shoot us doing it. But this would have to happen after the shoot. While I'm on set, I'm the consummate professional. Whatever the photographer or client asks of me, I'll do it. I'm getting paid to do it. They are expecting good things from me and I do not disappoint.

As I pull into the parking lot and exit my car, I flash the valet guy and his jaw drops. I slide my finger under his chin as I walk to the studio door and look back to find him staring at me. A quick wink and I'm inside. After a long hour in the makeup chair, I'm finally ready. The client comes in and tells me he runs a successful long distance trucking company and wants to shoot

a calendar that will keep his drivers motivated.

We go over the dozen or so poses; each one seeming a bit more risqué than the last. The photographer then calls me on set and I go – giving the client a little kiss on the cheek on the way out. The set is right out of The Maltese Falcon. Sam Spade's phone and typewriter sitting on this old office desk. Wood paneling and a plush burgundy leather chair finish the set. We start with a tan trench coat that quickly comes off to reveal my beige lingerie, nude stockings and red shoes.

I drop the coat on the chair and strike several poses while the strobes flash. After about an hour my bra top comes off and in another hour my panties come off. I'm posing on the desk, on my back on my knees, sitting, standing. Anyway pose they want of me. Each time I'm sure to keep my legs long and toes pointed. Then the hard part comes. They want me to remove my stockings. Believe it or not – I hesitate. The client did not mention that in the makeup room.

Without my stockings I really feel naked. I feel exposed. My pussy, just as naked before my stockings came off, wants to be covered. My cute little ass is just hanging out there. I pretend to be tired and take a fifteen minute break to compose myself. Like a trooper, I go back on set and in an-

other hour we are finished and I've given them just what they want. I'm now in the dressing room packing up my things when the photographer comes in. He tells me he sensed my uncomfortableness but couldn't figure out why. I was just as exposed with the stockings on or off, wasn't I?

I told him it was not about my pussy, but rather my legs. He smiled knowingly and we had a quiet laugh. He asks if I had put the stockings back on and I showed him that I had. But I had not put my panties back on. He points that out and gently brushes my pubes as he does. I look at him and smile saying I usually don't wear them home.

I masturbate in the car driving home because the shoots always get me hot. I look at him and take his hand and place it on my mound. I'm hot for him but try not to be too obvious. He obliges by gently rubbing my clit and I respond with soft moans.

I pull my body closer to his hand and press it into me. He inserts his finger into my pussy, but I tell him no, I only want him to rub me. I feel it pull out, very wet and still probing. He begins to swirl his long finger harder around my clit and I'm getting wetter and wetter. I pull his huge cock out of his jeans and slip it between my stockings legs.

I squeeze it, preparing him for something he probably has never felt before. The feel of the nylon surprises him but I reassure him it will feel so good on his cock.

There's a smooth roughness to the fabric and it rubs him with just enough tactilness so it feels good. We're standing there in the dressing room with his hand rubbing on my wet clit and his cock between my long legs. I push gently against his balls and let them feel the fabric.

I circle them with my toes before pushing one deeper between his legs. The heat between us rises as we rub each other until he breaks away and kneels down to lick me. I push him away and, still kneeling, goes back to using his fingers. He slowly moves his face in and begins to lick me again.

This time I let him, pulling his head deeper into my pussy so his tongue can reach every fold. He keeps at it, fingers then tongue, then fingers, then tongue. My body shudders as I climax with one of my long legs wrapped around his neck and back, my stockings still perfect. I get myself together quickly, thank him and rush out the door as he shouts back - "What about me!!!" I laugh and can't wait to masturbate again in the car.

i feel that I become happier, prettier and even stronger when I pose naked. It was a little hard to do that in Iowa, but now I'm in sunny Arizona. Four years ago I, got hurt playing soccer and couldn't walk for a while. It sucks that it still hurts every now and then, but I get by. Being a four wheeling and mud-ding aficionado attests to that. I'm into anything redneck, and that includes fucking some hunky, corn-fed farmer boys.

stacie

LET'S HAVE SOME WEIRD FUN TODAY.

My favorite position is doggy style but I'm not into anal. I tried many times, and even though I got used to it, for me, there's nothing better than a large cock filling my tight midwestern pussy. As for dilly-dallying with chicks, I've been experimental. I'm straight but my boyfriend sometimes says I'm bi-curious. One of my secret naughty fantasies is to be out shopping with a girlfriend and she asks me to into the dressing room with her to try on some lingerie. Well, I think you get the picture. Yummy!

"I'm always in control," claims Lana, a nomadic Chicagoan who has bounced around California for the past couple years before settling down in LaLa Land. "If you want me sexually, you're going to have to earn it." For giving us a peek at her perfectly natural anatomy, she has made many a photographer, and make up artist, drool at the perfection. "I think I have nice boobs, and I like my butt, too."

WE KNOW YOU WANT TO KEEP LOOKING!

i'm into girls and guys, so I have plenty to choose from, I'm also very assertive. At a bar I made a girl strip naked and lie on the pool table as she ate me out. Did I mention about a dozen guys were watching us?" No you didn't mention it before, but we get the visual. "I'm keen on running and staying fit. But I get a lot of exercise through sex. Since I have so much of it, it helps me stay fit. I especially like giving head. I think I'm a pretty good blow jobber and I think my videos prove it."

BLAZE INT-11

i'm very daring. I want to try many new things that I haven't done yet. I've only had sex in front of a camera a few times and that was with my boyfriend. I've never done it with other people watching, so this is a bit of a new experience for me. But I liked it so much, I called the photographer and asked when we could shoot again. Well, it turns out my boyfriend did not want to do anymore shoots so I had to call and cancel. Then he wanted sex that night and I said I was tired and maybe tomorrow.

I DIDN'T HAVE MONEY TO PAY FOR THE HOTEL ROOM, SO I FOUND ANOTHER WAY.

Well, that did not sit well with him and so we argued and I got up and left. The first thing I did was call the photographer and asked her to get me a guy to fuck on camera for her. She suggested one immediately and we set up the shoot for the next night. When I saw him, I felt myself getting wet right away. The photographer told me to fuck him thinking of how my boyfriend would feel. I did and fucked the guy's brains out. I had a whole lot of fun and you can see it on video now.

NICE TO
HAVE A
FRIEND
LIKE THAT

The weekend is the only time I have to take care of things around the house. I worked hard in the summer heat and was exhausted when I finally finished and came inside. I'd already been in bed for a couple of hours when the sheets shuffled and the mattress moved a bit. I woke enough to scoot over and make some room when I felt her hair fall on my bare shoulder and her breath come close to my ear. She nuzzled into my neck as she moved into the bed behind me. Her soft, warm hand started on my shoulder and caressed a winding path along my arm, around my chest and across my stomach. There was no doubt she wanted to start something, and even less doubt that I would gladly oblige.

I turned to kiss her and she opened her mouth for me as if we hadn't kissed in years. Her tongue was hot and ferocious as she sucked a huge kiss right out of me. Katie

stayed up with her longtime friend, drinking mojitos and making girl talk in our living room. I'd gone off to bed early – tired from working out in the yard and not terribly interested in their chatter. After I first settled in I could still hear them jabbering away about everything and nothing, but they hadn't seen each other in a few months, so it was no surprise. I smiled as I drifted into a light sleep – glad that she's got such a friend.

Her name was Noreen, and they'd been friends since elementary school. She was there for Noreen when she went through her divorce, and Noreen was there for her while I was called to serve overseas. They were as close as friends get – unconditional in their support for one another, but remarkably candid always. It was a friendship to envy.

The raging erection that was stuck in my twisted boxers need-

OBVIOUSLY SHE
WAS ENJOY-
ING HERSELF
AS I COULD
FEEL HER
SEXUAL HEAT
HOVERING
OVER ME.

ed to be released, and I tried to use my free hand to pull the waistband aside. Katie was having none of it, as she slid her leg over my stomach, moving her chest so that the dry boob could get some mouth action. I cupped both and began to kiss and suck noisily. The moisture on her made pinching and rubbing her all the more erotic – obviously she was enjoying herself as I could feel her sexual heat hovering just over my stomach. My cock flexed uncontrollably, I was aching to penetrate her and fuck her in a primal way. I didn't quite realize how she was managing it at the time, but I could feel her fingers grasping my shorts and pulling them away.

As I felt my cock being engulfed by fingers, it was clear there was no way these could be her hands; and there was only one other female in the house! There was no light in the room at all, so I could not see exactly what was going on, but I could sense that Katie's hands were on the bed up near my face and that Noreen had both of her

hands on my cock. The sensation of Noreen's hands rubbing up and down my cock while a slippery pair of breasts were being fed to me was out of this world. I must have made an involuntary noise of some sort because the ladies both giggled.

I reached up and rubbed Katie's ass, my mind spinning at the thought of this actually happening. When Noreen slowed her strokes and rubbed little circles around the head of my dick with her thumbs I arched my hips up a bit, pressing my stomach right into the wet pussy lips straddled over me. Katie was breathing heavy, her slit was dripping wet and I was being held in place.

Soon Noreen's boobs were sliding up my thighs as she positioned her mouth over the tip of my twitching cock. I felt her hot breath on me before her lips landed around the head, making me growl into the breast flesh I was still sucking. How in the hell was I going to

fuck the both of them? The tongue across the bottom of my shaft was dripping wet – and Noreen was making the same kind of slurping noises I was making as her mouth engulfed me. She tilted her head forward and bobbed up and down – running the head of my dick across the roof of her mouth as she moved. I felt Noreen shuffle her hand, rolling it up across my belly, her knuckles down.

Noreen was rubbing her fingers into Katie's moist slit - her best friend - right on top of me! The grinding that began made it almost impossible to keep a grasp on the wet tits I had in my mouth, so I leaned back and cupped them in my hands. Katie leaned back as well, reaching behind her to grip Noreen's wrist as Noreen pushed her fingers across those slick pussy lips. Katie's eyes were rolled back in her head and her thighs began to tremble in rhythm to Noreen's massage.

Katie moaned as the first wave of an orgasm began to climb. She gripped my ribs with her knees and pushed her hips back onto Noreen's hand while I pinched and twisted her nipples harder and harder. Noreen's mouth was off my cock while she watched the pussy she manipulated begin to convulse. I couldn't see what she was doing, but it felt like she was finger-fucking Katie's pussy - fast and hard.

I could feel Noreen's hand bounce off of my body with each thrust and Katie laid on top of me, pressing her chest onto mine, lifting her

pussy into the air while squeezing her feet, thighs, knees and arms around me as she came hard. Noreen slowed her hand and let it slide away and back onto my cock. Now her hand was wet with Katie's cum and it only took a half dozen strokes, for me to be ready to pop.

Noreen moved her mouth and hand in one slimy, sexy motion over my pulsing rod. My moaning made Noreen to slide her mouth as far onto my dick as she could, cupping my balls as they tightened up. A couple more deep grunts and I launched several wads of jizz into her throat. I closed my eyes so hard as I came that I saw stars. Some of my cum slid back down out of her mouth and onto her hand and lips, as well as my cock and belly. Noreen gathered some into her fingers and kept stroking me while she licked and sucked up the loose puddles of sperm. She put her mouth around me again as I began to soften and sucked lightly again, coaxing all of

it from me.

I was still breathing deeply and trying to shake the stars out of my vision when Katie slid off of me and said, "Our guest is doing all the work – we're not being very good hosts." She leaned over to Noreen, and the two of them started kissing. Long, slow, deep kissing. Their hands were laying across each other's hips and shoulders as their mouths seem to melt together. I got the feeling this wasn't the first time they'd ever kissed one another. I raised myself up on one elbow and scooted aside as they laid down and continued their exquisite mouth dance. What a wonderful front-row seat I had, inches away as two gorgeous women lost themselves in intimate passion.

Katie was on the other side of, but kind of on top as Noreen lay on her back, and I got my first real look at Noreen's naked body. Her chest was wonderfully plump and round – spectacular natural breasts topped

with very small, fairly dark nipples, the contrast to Katie's larger, paler nipples and medium sized tits was very erotic. Seeing them one on top of the other was fantastic. I could not be just a spectator any longer and I moved my hand across Katie's back, along her side and onto Noreen's boob – letting my palm drift over her skin lightly. My fingers pressed along the outlines of her roundness and ended up with fingertips rubbing Noreen's nipple slowly.

I rolled towards the two of them – they were still lost in a fog of intense kissing - and slid my hand down along Noreen's side, her hip, the top of her thigh. She raised her knee up and towards me, parting her legs and exposing her snatch to my hand. I let my fingers continue to wander over her thigh, her belly, lightly brushing her completely bald kitty. I rubbed my palm along her inner thigh, down to her ass and grabbed her cheek firmly.

As I released her ass, I kept my thumb in contact with her skin, sliding it onto her pussy lips as my fingers brushed her thigh. My thumb began to circle, moving her plump outer lips with it. I parted her and let just the tip slide along the open slit from top to bottom, then back up again. Her moisture was so warm and thick I began to imagine what it would feel like on my tongue. We continued licking and fucking each other for what seemed to be an eternity. Exhausted, I finally fell asleep and left the two ladies to their own volitions. I needed to get some sleep.

Making adult videos is kinda new for me. I'm really very shy and to take my clothes off in front of the camera, or meet a new guy and have to suck his dick, or have him lick me, or fuck me, well, that was way beyond my comfort zone. But, I try to overcome that because I have a really high sex drive. I masturbate at least once a day, even if I have sex on that day.

I only had one boyfriend before making videos, and now that I've made a few, I realize how bad he was...

summer

MODELING NUDE HAS BECOME MY NEW FAVORITE HOBBY. I THINK YOU LIKE IT TOO.

Okay, he wasn't that bad, but now I realize just how very inexperienced the both of us were. Yeah, it was hot, but sex now sizzles for me. I've become much more tuned into my body now that I'm fucking more. I had a one hell of a good time doing this shoot and making the video. Man, this guy can do me right. I loved sucking his cock and then taking it deep inside my pussy. So after you're done watching my new video, you'll be able to see my new sexuality. Now that's hot!

SLUTS-111-11

When we was asked to come down to the set after getting make-up done, we said we were too tired and could they bring the camera's here so we could shoot in the art area. We partied a little too hard last night and just want to take it a little easier. Just throw a quilt down on the floor, get us our dildo and double dong to use and we'll be happy. It's not that we don't want to have sex, we just want to get into it slowly.

micah & chastity

I'M READY TO GO. JUST BRING OUT THAT BIG LENS OF YOURS AND SNAP AWAY!

We love using our fingers and tongues because they are the best sex toys. But we have to admit that a long, thick double dong is a close second. That makes us hotter because our simultaneous moans arouse us even more. We think the crew got aroused on us because we could see all the bulges on the guys around us. It's really too bad that guys' cocks don't vibrate. Imagine what that would be like, real live flesh and vibrations, too. We women would get off in a New York minute. In the meantime, this will have to do. You don't mind, do you?
